BE A PART OF A SPECIAL EVENT FOR A SPECIAL CAUSE

Because of this event and its sponsors, lives have been changed for the better. Since its inception, our community of supporters has come together annually to enjoy catching up with friends, networking and bidding on exclusive auction items to support families affected by autism.
This year will be no different. We know businesses like yours are community-minded, desire positive change and want to make a difference as autism prevalence continues to rise. Join our community. Make a difference. Become a partner.
